Sweet Crumbs Bakery

Website Proposal

Soweto, South Africa

[27/08/2025]

1. Executive Summary

Sweet Crumbs Bakery is a community-focused bakery located in Soweto, offering a wide range of freshly baked goods including bread, cakes, and pastries. The goal of this website proposal is to develop a visually appealing, user-friendly platform that highlights the bakery's products, attracts new customers, and provides convenient online ordering and contact options.

The proposed website will combine an engaging design with seamless navigation to create an enjoyable online experience that reflects the quality and passion of Sweet Crumbs Bakery.

2. About Sweet Crumbs Bakery

Background

Sweet Crumbs Bakery was established to bring fresh, high-quality baked goods to the residents of Soweto. The bakery prides itself on using premium ingredients and traditional baking techniques to ensure every product meets the highest standards.

Location: Soweto, South Africa

Products and Services:

- Fresh bread (white, brown, whole grain)
- Cakes for birthdays, weddings, and special occasions
- Assorted pastries (croissants, tarts, muffins)
- Custom orders and event catering

3. Goals & Objectives of the Website

The website aims to:

- **Showcase products** in an attractive, organized manner.
- **Increase customer engagement** through online ordering and contact forms.
- **Enhance visibility** of Sweet Crumbs Bakery in Soweto and surrounding areas.
- **Provide brand consistency** with a professional, visually appealing design.

4. Target Audience

The website will cater to:

- Local residents seeking fresh baked goods.
 - Families planning celebrations.
 - Event organizers in need of customized cakes and pastries.
 - Cake enthusiasts and food lovers looking for high-quality baked products.
-

5. Design & User Experience

The design of the website will focus on simplicity, usability, and aesthetics, ensuring visitors can navigate and explore the bakery's offerings effortlessly.

Visual Elements:

- **Color scheme:** Warm, inviting tones that reflect bakery freshness (browns, creams, pastels).
- **Typography:** Friendly, readable fonts to enhance the bakery's approachable image.
- **Images:**

1. Bread

2. Cake

3. Pastries

User Experience:

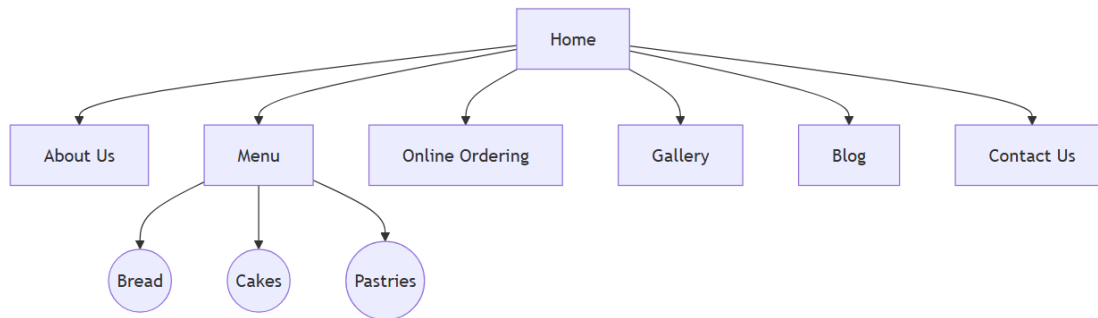

- Clear navigation bar with labeled sections.
- Interactive product galleries.
- Responsive design for mobile and desktop users.

6. Sitemap & Website Structure
